Use this planner to record your key activities each semester: presentations, pracs, assignments, revision, exams

- For writing tasks, start by adding your due dates for assessments. Then, working backwards from 'Submit', shade the time you think you need to complete each phase of the task:

Analyse task ◀ Brainstorm ◀ Research/Read ◀ Plan ◀ Write ◀ Edit ◀ Submit

Study tips

- Visit the Student IT website for support with getting set up for online study and learning
- Set aside time to preview and review lecture materials each week
- Be a selective reader – focus on relevant or required readings
- Have measurable study targets (e.g. read 20 pages of an article)
- Use the Library's Re:cite website to help with your citing and referencing
- Seek feedback on your work
