Family Name: Telephone:

Given Names: Unimelb Email:

It is YOUR responsibility to ensure that your contact details are correct on the student database. You can update these details online via the student portal.

COURSE:

Bachelor of Science (B-SCI) Other

ADD

Subject Code	Subject Name	Semester	Points
ENST30002	Land And Environment Research Project		12.5

Department/Discipline	Contact
Agriculture and Food Systems	<i>Dr Sabine Tausz-Posch</i> , School of Agriculture and Food Systems
Other Departments and Schools may also offer research projects (students should check with the relevant department or school)	

DISCLAIMER

The ENST30002 Land And Environment Research Project is intended for students who have achieved excellent results in the discipline related to the project (normally an average of at least 75% in relevant second and third year level subjects). Please note that approval of your home student centre is also required.

I have discussed the potential projects with staff in the relevant Department/School

I have read and understood the requirements for the project as specified

Please return this form to the your home student centre
