Core Subjects

Core subjects are compulsory subjects designed to develop comprehensive skills in your area of specialisation.

Breadth Subjects

Breadth subjects allow you to gain knowledge and understanding across a broader range of disciplines. You will need to complete a minimum of four subjects from outside Music, including at least one from level 2 or 3.

Music Elective Subjects

Music electives offer the opportunity to broaden your contextual music knowledge, explore other forms of music-making and tailor your degree to complement your area of specialisation. Information about available electives based on your specialisation can be found in the University Handbook.

WHAT DO I DO NEXT? ENROL IN YOUR SUBJECTS (STUDY PLAN)

Once you have mapped your subjects you can add them to your Study Plan via [my.unimelb](https://my.unimelb.edu.au) for the current year only.

For information about enrolling in subjects visit: students.unimelb.edu.au/admin/enrol-in-subjects

Please note: You normally have until the end of the second week of classes to change your subject selection for the semester.
