

Graduate Degree

Map your course

Use this course map to plan out the subjects you will complete in your course and when you will study them. Refer to the University Handbook and your School's website to understand your course requirements and structure as well as subject availability. Outline the relevant boxes corresponding to the number of subjects you need to complete.

Course: _____

| | | | | | |
|--------|-------------|--|--|--|--|
| Year 1 | First half | | | | |
| | Second half | | | | |
| Year 2 | First half | | | | |
| | Second half | | | | |
| Year 3 | First half | | | | |
| | Second half | | | | |

Course points total: Advanced Standing points received: Points to complete:

STEP 1: BUILD

List your core subjects below. These are compulsory subjects and must be completed to meet the requirements of your course.

STEP 2: EXPLORE

Depending on your course, you may have flexibility to choose elective subjects. The list of available elective subjects can be found in the University Handbook. Note down your elective subjects below.

WHAT DO I DO NEXT? ENROL IN YOUR SUBJECTS (STUDY PLAN)

Once you have mapped your subjects you can add them to your Study Plan via [my.unimelb](https://my.unimelb.edu.au) for the current year only.

For information about enrolling in subjects visit: students.unimelb.edu.au/subject-enrolment

Please note: You normally have until the end of the second week of classes to change your subject selection for the semester.

IMPORTANT NOTES

Course: the degree you are admitted to at the University.

Credit points: standard subjects are worth 12.5 points. Other subjects may be worth 6.25 or 25 points.

A **standard full-time study load** is 50 points per half-year period. *This may include winter or summer study periods.*

Subject availability: information about which study period a subject is run, the location and mode can be found in the University Handbook.

Core subject: compulsory subject that you must complete to meet course requirements.

Elective subject: discipline subject from your faculty which you can select from.

Capstone: a final year subject designed to draw together the theoretical strands of your degree and prepare you for life beyond study.

Internship: a work placement subject that counts for credit.

Intensive: a subject taught over a shorter time frame, usually over summer or winter.

Thesis: research-based subject usually taken over more than one semester

Project: subject designed to help you develop practical skills in your discipline.

Prerequisites and Corequisites

A **prerequisite** is a required background, usually a subject, that must be successfully completed before you enrol in another, more advanced subject.

A **corequisite** is a subject that must be studied concurrently with another subject in the same semester.

Prerequisites and corequisites are listed under 'Eligibility and requirements' on the left hand side of each subject entry in the Handbook.

How can I get subject prerequisites or corequisites waived?

You will need to contact the Subject Coordinator for approval and attach this permission by submitting an Enrolment Variation (EV) form.

Advanced Standing

If you have completed prior study or work experience that is relevant to your current degree, you may be awarded Advanced Standing, also known as credit.

There are two types of advanced standing that can be awarded: study.unimelb.edu.au/how-to-apply/advanced-standing

EXPLORE THE HANDBOOK

The University Handbook is the official guide to all course and subject information. Explore the Handbook to learn more about which subjects you can take, requirements such as prerequisites and key contacts. handbook.unimelb.edu.au

HOW CAN STOP 1 HELP?

Stop 1 can connect you with the full range of student services to support your success while studying at the University including:

- administration
- course planning and enrolment
- health and wellbeing
- housing and financial aid
- equity and disability support
- careers and employability development
- academic skills and learning support
- overseas study

Remember, our support services are not just for when things go wrong but also to extend and develop your skills and experience.

Access these services and more: services.unimelb.edu.au/finder

Find out the best way to manage your admin, study effectively, maximise your wellbeing and prepare for your future: students.unimelb.edu.au
