

ACADEMIC SKILLS - iTUTE GOOD PRACTICE GUIDELINES FOR STUDENTS

In order to develop your academic skills, we work with you to:

- *reflect on your learning and areas to improve*
- *try specific strategies*
- *focus on your positive achievements*
- *plan what you can do next.*

To be responsible for your learning, we expect you to:

- *be punctual*
- *be prepared (e.g. bring hard copy and task info, plan some specific questions to ask)*
- *discuss discipline and content specific issues with academic staff*
- *summarise your key points/actions*
- *apply the strategies independently.*
