Find out about the Virtual Fair program: What are the pre-fair employer information webinars? What opportunities do I have to talk to employers on the day? How do I navigate what’s on offer?

Download the Career Fair Plus app: Find out which employers will be at the fair and gain access to resources designed to help you get the most out of your experience

Do your research: get to know the employers who will be at the fair and the opportunities you’d like to hear more about

Come up with your own questions: Think about what you would like to gain from your interactions with employers and jot down your questions to be prepared

Prepare your introduction: Use our Elevator Pitch tool on the Smart Resume Platform to create a great introduction that you can use when talking to employers

Prepare for the conversation: Employers may ask a range of questions, including motivational and behavioural questions. Do some practice using our Practice Interview Tool to make sure you’re ready

Get ready to network: Check out our networking resources for tips and advice about how to network effectively

Update your career toolkit: Make sure both your CV and LinkedIn profile are up to date

Register for our upcoming workshops: Want to develop your employability skills? Check out the range of workshops and sessions to help you make the most of your experience at the fair and beyond

Want to chat to someone about your career plans? Book in for a virtual one-on-one appointment to discuss your career goals and options with a Senior Advisor
