

Bachelor of Fine Arts (Production)

Course Structure for Production

The Bachelor of Fine Arts (Production) trains world-class designers, technicians, craftspeople and managers. The program offers two majors, Design or Technical, and students are selected into their major as part of the interview process.

Please note that the structure of this course has changed significantly in 2021. All students who commenced their course prior to 2021 should refer here for further course advice: <http://go.unimelb.edu.au/gr9r>

Compulsory Subjects

Compulsory subjects are designed to develop comprehensive skills in your area of specialisation.

Breadth Subjects

You must complete four subjects from disciplines other than production, including at least one at level 2 or 3.

You can search for available breadth subjects in the University Handbook. <http://go.unimelb.edu.au/j4yr>

Elective Subject

You will select your elective subject from a short list of VCA subjects.

Information about available electives can be found in the University Handbook.

WHAT DO I DO NEXT? ENROL IN YOUR SUBJECTS (STUDY PLAN)

Once you have mapped your subjects you can add them to your Study Plan via **my.unimelb** for the current year only.

For information about enrolling in subjects visit: students.unimelb.edu.au/subject-enrolment

Please note: You normally have until the end of the second week of classes to change your subject selection for the semester.

NOTES ABOUT THE BACHELOR OF FINE ARTS

Course Structure for Production

This specialisation requires the successful completion of 300 points taken over 3 years full time.

All subjects are 12.5 points unless otherwise specified.

ENRICH YOUR STUDIES

Overseas study

Participate in an overseas study program and gain experience as well as credit towards your course.

Enhance employability skills

Check your faculty's website for internships, work placements, research or volunteering options to put your knowledge and skills into practice.

There are other opportunities such as industry events, public lectures and professional skills workshops. You can also volunteer in your community, meet with an alumni mentor or join a student club.

ACHIEVE YOUR ACADEMIC GOALS

Academic and communication skills

Find resources and programs to help you develop the reading, writing and listening skills needed to succeed in your studies.

Take the Diagnostic English Language Test (DELA) to get personalised results and recommendations to develop your ability to communicate ideas clearly and fluently using academic English language.

HOW CAN STOP 1 HELP?

Stop 1 can connect you with the full range of student services to support your success while studying at the University including:

- administration
- course planning and enrolment
- health and wellbeing
- housing and financial aid
- equity and disability support
- careers and employability development
- academic skills and learning support
- overseas study

Remember, our support services are not just for when things go wrong but also to extend and develop your skills and experience.

Access these services and more:
